Pens (black, blue, red)

Pencils

Composition Notebooks

Pocket Folders with Brads

Washable Markers (Crayola Classic Colors)

Pink Erasers

Watercolor Paints

Last year, we provided supplies for nearly 500 kids (that takes several thousand pencils and packages of paper)! We sincerely appreciate the people and organizations that make it possible for us to continue programs that serve our community's needy children.

Providing school supplies for Foster and Adopted children is one thing we can do to help give them kind of childhood they deserve....A childhood just like any other child enjoys.
